

My Dad

God's angels are spirits sent down from above,
who appear in our time of need.
But, angels can be like human beings, I know,
because I have one watching over me.

He doesn't have wings like God's angels do,
but, he is always there when I call.
To offer advice or lend a helping hand,
or, to pick me up when I fall.

He never grows tired of giving his love,
through both the good times and the bad.
I thank God each day for giving me,
the Angel Guardian I call — my Dad!
