

Mother

God gave me an angel on the day of my birth,
to guide and protect me as I walk on this earth.
She is by my side in all that I do,
and gives me strength to see the tough times through.

But, there's one Angel Guardian who has served like no other,
she's the beautiful person that I call, "Mother."
From this selfless soul who never tires of giving,
I learned the simple beauty of life and living.

It seems a simple "thank you" would hardly suffice,
for all that she has done for me throughout my life.
So, I just say a little prayer and thank God each day,
for the Angel Guardian mother He sent my way.
