

A Special Thank You

© 2001 Rod Hess

God created angels with one purpose in mind,
to guide and protect us during our difficult times.
They appear out of nowhere to help make things right,
and then before you know it, they vanish from sight.

But, angels are not always spirits, you see,
they can be people like you who help others in need.
They stop what they're doing and take time to get involved,
and always stay around until the problem is solved.

YOU were my "angel" in my time of need,
and I thank you sincerely for your selfless deed.
If I had one wish for the whole human race,
it's for more people like you to make the world a better place.

.....

When a simple "thank you" is not enough!

When individuals go out of their way to help a fellow human being, sometimes mere words don't seem to express the depth of one's appreciation. The "Special Thank You" Light of Inspiration is a unique way to honor the "angel" who helped you in your time of need.

This light can also be used in combination with the "Special Thank You" pocket cards. Display the light, along with the pocket cards, in a prominent place and invite all to: ***"Take One. Pass It On"*** to their "angel."

○ **For use in special ceremonies to honor people who go above and beyond to help others in need.**
