

## On Your Wedding Day

© 2001 Rod Hess

God sends His angels to us from above,  
to help us understand the power of His love.  
They are with us always in all that we do,  
and they guide and protect us our whole life through.

You have taken a vow to live as husband and wife,  
a bond blessed by God for the rest of your lives.  
To honor and cherish “until death do us part,”  
to love one another from the bottom of your hearts.

And so, as you begin your marriage this day,  
here’s an *Angel Guardian* to help show you the way.  
To live a lifetime together in God’s perfect love,  
with a little help from an angel sent down from above.
