

For The Difficult Times

© 2001 Rod Hess

To a special someone who has touched my life,
and has made a difference when things weren't going right.
With a kind word or helping hand,
you made things easier and helped me to understand.

And now as you face your own difficult times,
here's a gift for you so that you may find
the strength to endure and learn the lesson you must,
to know God's plan for you and follow it with trust.

And so to guide you down this uncertain road,
here's an *Angel Guardian* to call your own.
She is with you always and will stay close by your side,
so, just trust in her voice and let her be your guide.

.....

Perhaps when you experienced a difficult time in your life, there was a special person who was there to support you and help you to work things through. Now, that person is experiencing a difficult time in their life. The, *For The Difficult Times* Light of Inspiration can serve as a beacon of your love and support in their time of need.
