

A Tribute to My Pet

© 2019 Rod Hess

I felt the bond I had with you,
from the moment we first met.
And, I knew it was *you* above the rest,
who was destined to be my pet.

Like an angel from Heaven you were with me always,
in both the good times and the bad.
And, as we grew through life I can truly say,
You were the best friend I've ever had.

So, I want to thank you my friend for being a part of my life,
like an *Angel Guardian* from up above.
Because, it's from you that I learned what mankind has lost —
the true meaning of unconditional love.
