

## Until We Meet Again

© 2001 Rod Hess

My life on earth will soon come to an end,  
for, God is calling me home.  
And, as I prepare for my journey and ponder my past,  
there is something I want you to know.

You've been a special person who has touched my life,  
like an angel whom God did send.  
The memories we made will go with me beyond,  
and I'll savor them — until we meet again.

So, until that time when we do meet again,  
with God in our heavenly home,  
Here's an *Angel Guardian* who will stay close by your side,  
through life — *so you will never be alone.*

Death is an inevitable part of life. Sometimes, it beckons us suddenly and unexpectedly, and we leave many things unsaid and incomplete in life. Whereas, other times it gives us notice and allows us time to put our affairs in order. Those who are afforded this opportunity can take time to leave a unique gift to those individuals who were special people in their lives.
